

TRANSFER OF COPYRIGHT

JOURNAL OF METEOROLOGICAL RESEARCH

Paper title in English: _____

Paper title in Chinese (optional): _____

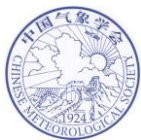

English manuscript submission date (optional): _____

Party A: All authors of the above work

Party B: Editorial Office, *Journal of Meteorological Research*

An agreement on Transfer of Copyright is endorsed by both Party A and B as follows:

1. Party A confirms that all authors consent to the assignment of authorship and the authorship order of this work.
2. Party A warrants that this contribution is original, has not been published previously, is not under consideration for publication elsewhere, and does not involve any classified information.
3. If the Chinese version of this work has been published or is being considered for publication in a journal other than *Acta Meteorologica Sinica (Chinese Edition)*, Party A should declare here the name of the journal (in Chinese) _____, its publication year _____, and page number _____. Party A assures that it has obtained the translation right of this work before its submission to Party B.
4. Party A agrees to transfer the copyright of this work to Party B. The copyright covers the exclusive right (for U. S. government employees: to the extent transferable) to reproduce and distribute part or whole of the article including reprints, translations, photographic reproductions, microform, electronic form (offline, online) or other reproductions of similar nature, and with emphasis here, the right to network dissemination of information contained in this article.
5. The transfer of the above copyright is applicable to a worldwide geographic domain.
6. The above copyright is not transferable to any third party except under the circumstance stipulated by Item 22 of the Copyright Law of the People’s Republic of China. Party A reserves the right to use all or part of the work in future lectures, press releases and reviews of their own. In such cases, Party B should be notified.
7. Party B should inform Party A about the review results on the work within **3** months from the date the manuscript is submitted. Upon no notification in the end of the **3**-month processing period, the copyright transfer aborts and Party A owns back the full copyright of this article.
8. Party B collects a one-time publication fee from Party A at the time when the paper is officially accepted and press proofed.
9. In the one month following the publication of the work in *Journal of Meteorological Research*, Party B should make a one-time remuneration to Party A, and send Party A two relevant issues and 30 copies of reprints/offprints.
10. Party A is responsible for asking for signatures of all authors. **Multiple forms of the agreement may be used.** The agreement needs to be mailed via post to Party B within 1 month from the manuscript submission date. This transfer is effective on the date the signed agreement is received
